EXHIBIT B

Retainer Arrangement Between
H. William Tanaka
and
The Japan Fisheries Association

Preliminary oral arrangement was entered into with the Japan Fisheries Association, Sankaido Building, Minato-ku, Akasaka-Tameike, Tokyo, Japan on May 8, 1965, that in consideration of the following legal and informational services to be rendered including (1) consultation, and extensive research and analysis of relevant legal and factual issues involved in Japanese high seas salmon fishery, particularly as they relate to the North Pacific Fisheries Convention of 1952 and S.1734 and identical House bills, (2) providing of legal counselling services based thereon, (3) the preparation and submission on May 13, 1965 to the Subcommittee on Merchant Marine & Fisheries of the Senate Commerce Committee a statement on behalf of the Japan Fisheries Association in opposition to S.1734, and (4) following legislative activity respecting S.1734 and keeping the Association currently advised on any developments thereon, subject to final agreement at the end of the 89th Congress, First Session, a fee of about \$3,000 has been tentatively agreed to with an additional amount of about \$1,500 to be provided to cover incidental expenses for the purchase of research materials, telephone and cable costs, research consultant fees, cost of stenographic services and mimeography involved in the preparation and submission of the statement to the Senate Subcommittee on Merchant Marine & Fisheries. This tentative agreement is subject to adjustment depending upon the amount of actual time input and expenses incurred through the end of the 89th Congress, First Session at which time it will be finalized.
